

LOGESHWARAN S

STUDENT AT COLLEGE OF ENGINEERING GUINDY

With a deep passion for technology, I excel in creating websites and mobile apps while demonstrating a strong problem-solving ability. My keen interest lies in AI and machine learning, supported by a robust work ethic and dedication to continuous learning. With these qualities, I consistently deliver high-quality results across all my projects.

EXPERIENCE

May 2023 - July 2023

Standard Chartered GBS

SUMMER INTERN

- Collaborated with the testing team to demonstrate test cases for various features of the company website.
- Utilized Java, Selenium WebDriver, Genie, and Cucumber to automate test scenarios and ensure quality assurance.

POSITIONS HELD

CSEA

Joint Secretary
(Tech)

2022 - 2023

CSEA is a highly active engineering association in the city. As a joint secretary of the tech team, my responsibilities include building and maintaining websites for the official CSEA site and Abacus, an inter-college symposium organized by CSEA.

CTF

Tech Organizer

2022 - 2023

CEG Tech Forum is a student-led non-profit organization focused on expanding the technical horizons of the student community. Our ISO 9001:2015 certification highlights our quality management. As a tech organizer, I have collaborated with the CTF team to develop websites for various events.

LANGUAGES

- English - Full Professional Proficiency
- Tamil - Native or Bilingual Proficiency
